OFFICE OF LEGISLATIVE COUNSEL

Friday - 13 July 1962

25X1 1. [] made arrangements for and conducted a group
25X1 of three [] on a tour of the Capitol. Also present was
25X1 [] NE Division Case Officer. The group chatted briefly with
Senator Leavitt Saltzman, took a tour of the quarters of the Joint Com-
mittee on Atomic Energy, attended sessions of the House and Senate and
met for a chat with Boyd Crawford, Staff Director of the Foreign Affairs
Committee. They seemed to be most appreciative of this opportunity to
see the Congress in action.

25X1 2. [] At his request, I dropped by to see Mr.
25X1 Moran, in the office of Senator George A. Smathers. Without giving further
background, Mr. Moran said he or Senator Smathers would like a briefing
on the activities at [] Moran said he had the impression that
it fell into the same category as [] once did. I told Moran I would 25X1
check into this and be in touch with him.

25X1 3. [] Picked up from Fran Hewitt, Senate Appropriations
Committee staff, a letter from the Chairman to the Director approving
the Agency's appropriation request as submitted. Copies are being sent
to Mr. Bross.

25X1 4. [] Met briefly with George Stafford, Admin-
istrative Assistant to Senator Frank Carlson, concerning a letter from
the Senator forwarding a copy of a Brief prepared by a Robert J. Hornung,
formerly with the FBI, on the subject of a free Cuba. Stafford said the
Senator had sent this for information only and no response was necessary.
He said he appreciated the fact that we receive many proposals of this
sort and could not be openly associated with them.

25X1 5. [] Advised George Murphy, Joint Committee
on Atomic Energy staff, that we had no derogatory information on the list
of foreign officials he had given me who will be attending the Parliamentary
Assembly of the West European Union.
